ABOUT THE STUDIO

Direct experience on the floor and behind the brief.

Led by Nikolas Gannon, former client engagement director at social-impact agency We Are World Change. We understand run sheets, sponsor commitments, and the need for zero fuss on the day.

14M+

Views on Unsplash with work published globally across OECD, ANU, and media platforms.

<12h

Morning-after highlight selects delivered for urgent press releases and social media.

\$10M

Public Liability

Certificate of currency issued directly to your venue or risk management team.

Fixed quotes

Single upfront price including retouched master files and full commercial rights.

CORPORATE EVENTS

Conferences, Summits & Awards Galas

Full coverage for multi-day conventions, leadership summits, and awards evenings at venues like ICC Sydney, Doltone House, and Crown Sydney.

We shoot silently using electronic shutters so speakers and delegates are never distracted. Every assignment covers stage keynotes, candid crowd moments, sponsor booths, and dinner proceedings.

A dedicated highlight pack is delivered by 8:00 AM the next morning for your morning-after press release and social feeds.

NOT-FOR-PROFIT & COMMUNITY

Fundraisers, Galas & Community Forums

Respectful, low-profile coverage for charity galas, major donor dinners, live auctions, and civic assemblies.

We bring deep sector experience from working with Sony Foundation (Wharf4Ward), batyr, World Vision, and The School of St Jude. We understand cultural protocols, VIP dignity, and consent dynamics.

Images are catalogued specifically for annual impact reports, donor updates, and future grant applications.

BRAND CAMPAIGNS

Product Launches, Pop-Ups & Lookbooks

Clean, brand-aligned imagery for product launches, pop-up activations, retail installations, and commercial lookbooks.

On discussion, we can organise daylight studio hire in the Inner West and Surry Hills, cyclorama spaces in Alexandria, high-end Profoto lighting packages, on-set wireless tethering, and hair and makeup teams.

We also provide live photo drops during the event so your marketing team can publish in real time.

WORKPLACE PORTRAITS

Team Headshots & Environmental Portraits

Natural corporate portraits and team photography taken on-location at your office or annual conference.

We bring a compact mobile studio with soft lighting to your workplace with minimal disruption to staff. Team members view and choose their preferred shot on a laptop screen immediately.

Each person receives individually retouched high-res and web files delivered through an organised corporate portal for your HR and marketing teams.

PRIVATE CELEBRATIONS

Milestone Birthdays, Engagements & Weddings

Candid documentary photography for landmark birthdays (21st, 30th, 40th, 50th, 80th), waterfront engagements, and intimate weddings.

No stiff posing or forced smiling. We focus on natural moments, genuine laughs, hugs, and great speeches.

You receive a 24–48 hour sneak peek pack, followed by a private gallery where guests can download full-resolution photos directly with zero watermarks or extra download fees.
